Kirito and Asuna Have some fun

"So, what did you think about the movie," Kazuto said. "It was good. Could have been better," Asuna said. "I should probably get home." "NO, you're too tired, something will happen to you on the way home and I can't live with that. You're staying right here with me" "What about your mom, won't she be mad?" "Don't worry about her, she's going to be gone for a week I think." Kazuto thinks over her "offer" and declines saying, "I should really be getting home, Suguha is probably worrying about where I am." "You're not going anywhere. You're staying right here," demanded Asuna. "Well, ok, fine. I'll stay, the night," said Kazuto feeling defeated. Asuna pushed his chin up and says , "It's ok Kirito, just pretend it's a sleepover." Kazuto kisses Asuna and agrees. "Let's go upstairs and get ready for bed. It's getting late." Asuna says. "Okay. Let's go." Kazuto responds. "Wait, I didn't bring any clothes to sleep in." "You'll be fine Kirito." "Kazuto," responded Kazuto. "Sorry Kazuto." They go upstairs, holding hands, heading to Asuna's room. "I'm going to change. Don't look otherwise, I'm going to slap you," Asuna says to Kazuto. "Okay, I'll look away. Tell me when to look back." Asuna looks through her closet to find her sexiest outfit. She finds it and changes into it. She then tells Kazuto that he can look back. He looks back to find Asuna in a very skimpy lingerie set of bra and panties. Kazuto could faintly see the outline of her nipples, ass and best of all, her vagina. Kazuto quickly looks away and says, "Asuna, what are you doing?" "I wanted you to stay because... because my feelings for you are too strong. I want you. I need you now. Please Kirito, look at me." Kazuto looks back at her, looking embarrassed to be seeing his girlfriend almost naked. "Do you like it Kirito?" "I love it," says Kazuto still looking as red as a tomato. Asuna walks closer to Kazuto seeing his bulge, knowing that he secretly wants her

as does she. Asuna jumps on to Kazuto sitting on the bed with her legs spread across his legs and her hands resting on his shoulders. She tries to lean in for a kiss from Kazuto, but he pulls away. "What's wrong Kirito?" Asuna said. "I don't know Asuna. It just feels too soon. I love you too much to f\*\*k up our relationship." "I think it's time. Lets try and see what happens. Kirito errr, Kazuto, I love you in real life more than I loved you in SAO, I love you more than your love for Elucidator from SAO and I need you more than the Earth needs the Sun." "I understand, Asuna." He lets her kiss him as the lights dim slowly and he puts his arms around her. They kiss lightly until Kazuto slowly moves down to her neck to give her a hickey. As he sucks on Asuna's neck, he began to undo her lingerie bra and she began to unbutton his shirt. Once her bra was undone and her breasts free, Kazuto began to fondle her right breast with his left hand, using his right hand to comfort her back. Asuna releases a light moan as does Kazuto while sucking on her neck. "Oh Kirito, I didn't know you were so good," Asuna moans. Kazuto picks her up still sucking on her neck and sets her back on the bed. Asuna pulls off her panties and attempts to undo Kazuto's pants. "My god, she's so beautiful," Kazuto thinks to himself as he sees his naked girlfriend for the first time laying on her bed. Kazuto stops her before she could undo his pants by quickly moving to her vagina and start to perform oral by penetrating her inside walls with his tongue. Asuna couldn't contain it and released all over Kazuto making him more aroused. He licked up her cum before she could even say anything. "Oh, Kirito, I'm so sorry," Asuna said as Kazuto began to stand up. "What are you doing, Kirito?" "I think it's time, Asuna," Kazuto said as he pulled down his pants. "Don't laugh, okay?" "At what. Oh, nevermind. I love every part of you, Kazuto," Asuna says as she giggles. "Wait right there," she said as she runs over to her closet and looks through her jacket. She finds in her right jacket pocket a condom packet. She runs back over to her bed and gets back into the position she was. She put the condom to her right. Kazuto fully disrobes and his 5 inch dick springs out. "WOW!" Asuna says surprisingly as she jumps up to get a closer look. "Woah, can I touch it?" "What else are you going to do?" Asuna slowly grabs Kazuto's dick causing him to flinch. "Don't worry baby, I won't be too hard," Asuna says sexually as she wraps her mouth over his tip, returning the favor Kazuto gave to her on her neck. Kazuto releases a long moan as she slowly eases all of his length in her mouth and past the length of her tongue. "Wow, do you even have a gag reflex?" Kazuto said as Asuna went up and down his cock. "No I don't. You better not release before I'm done having fun," Asuna responded trying to seduce Kazuto, (which had no issues working). Asuna stopped sucking and switched places with Kazuto. Kazuto laying on the bed and Asuna on her knees doing all she can to please Kazuto. Kazuto relaxes all of his tensed muscles, his back, his arms and his neck causing him to fall into a mess on her bed. "Well, 5 minutes seems good enough. Pass me that wrapper to your right." Kazuto now waking up from his euphoria hands her the condom. She tears the wrapper and tries to put it on his 5 inch cock. "You sure it'll fit? "Don't need to be THAT self-confident," Asuna says sarcastically. She gets the condom on and asks Kazuto if he's ready to which he replies saying, "yea, let's do this, baby." Asuna climbs onto the bed, over Kazuto's dick and slowly crouches until Kazuto's tip is right under her vagina. "What happened, Asuna?" "Just preparing myself. I've never done this Kazuto, you're my first time." "Wow Asuna. I've never done this either." She doesn't respond and eases the tip in. She screams in joy. "Does it hurt Asuna. Do you want me to stop?" "No Kirito, it's perfect." Asuna slowly allows the rest of his hard cock in her causing her to scream in pain and

enjoyment. Kazuto lets out a groan of pleasure as all 5 inches of him enter Asuna's vaginal cavity. "Oh Asuna, yes, please, more," Kazuto pleads in between his groans. Asuna slowly pushes herself off of Kazuto's dick causing blood to trickle out of her vagina. "WHAT DID I DO, WHY ARE YOU BLEEDING?" "It's ok, Kazuto. It just means that I'm not a virgin anymore. You took it from me and I'm glad you did." "Oh, okay. I guess you took mine too." Asuna rests her hands on Kazuto's abs while Kazuto holds on to Asuna's hips for support while Asuna moves her body up and down Kazuto's hard cock, moaning with each movement. "Try thrusting IN me Kazuto. Let's have some fun" Kazuto wraps his arms around Asuna's back, telling her to hang on. "What are you doing, Kazuto?" "Just get ready." She holds on to Kazuto's abs, preparing herself. Kazuto stands up still holding Asuna and not removing his cock from her cavity. He proceeds to thrust in and out of her. As she screams in shock, she moves her arms around his shoulders, becoming even more aroused and horny with each thrust, wanting all of him. Staring at his eyes and moaning louder and louder, She couldn't contain herself anymore, those lips, that tongue, she wanted it, no needed it. She came all over Kazuto's hard cock as she locked her lips with Kazuto's, forcing her tongue in her lover's mouth, shocking him, but he doesn't respond, he just allows it to happen as he thrusts harder and harder. Kazuto releases the lip lock, carries Asuna over to the bed, laying her on her back, still thrusting and groaning. Kazuto leans over to Asuna, thinking about going for her lips, but instead goes for her cold, hard nipple. Biting lightly on just the tip while using his right hand to grab her left tit to fondle and play with. Asuna starts moaning with each thrust, louder and louder. "Oh, Kirito. More, More. Faster. Faster. Don't stop, please." His voice muffled, Kazuto groans and says, "Oh, yes Asuna. Cum for me baby." She follows through and came all over Kazuto's hard cock. Kazuto, thrusting harder, faster and going deeper and deeper, faster and faster. Asuna, moaning Kazuto's avatar name, feeling his dick getting larger, preparing to cum. "WAIT!" Asuna shouts. Kazuto stops everything he was doing instantly and ask "What? What happened?" "You're about to cum. I can feel it. Let's have one last, great position before it all ends," she said looking sweaty, hot and out of breath from her moaning. Kazuto pulled out of Asuna still hard as he was before. Asuna's mouth filled with saliva, wanting more of him. He looked sweaty, tired and covered in many fluids, his condom soaked in Asuna's cum. "Why don't you turn around and show me that ass?" Kazuto said with the biggest grin on his face. She turns around with her knees and hands on the bed and says, "what are you doing?" "Oh, you'll see baby.". Kazuto inched forward readying to penetrate her for the last time tonight. He grabs his cock and shoves it deep in her with no warning. She screams and moans in enjoyment and pain. Kazuto, with both hands, grabs her hands and puts them behind her back, holding them with one hand. He uses his other hand to grab Asuna's neck and bring her head back as he starts sucking and biting her neck and cheek, waiting for her moans of enjoyment and pleasure. Using strong thrusts, each assault on her uterus causes her to moan and scream Kazuto's name. "I'm gonna cum if you keep this up, Kirito," she exclaims. "I want you to Asuna. Cum for me baby," Kazuto whispers in her ear. She cums full force causing Kazuto to release, scream her name and fall over her. They both collapse over in weakness. "I love you Kirito," "I love you Asuna, they say right before they pass out until the next morning.
